

Jeff Laine: Long Way To Go

*Genre: Rock, Easy Listening, Blues-Rock / Rating by Kangar Radio: **** ¾*

Jeff Laine has great lyrics and the **music** is also rocking. "Long way to Go" the title track of the cd is a well written song as well as "Waiting for You". My favorite track was "Frankie and Johnie" with its lyrics and bar room sound. **Jeff Laine** has it going on and more so it a great listen to fans of Dire Straits and Big Sugar.
